

# I CAN JIVE

- Jerry Williams SYMF.ARR - SHUFFLE-rock - 128 BPM , Key: G-dur, INTRO: 4 T

'Bout nearly twenty years a///go  
I heard this thing called rock'n'roll  
It hit me right between the eyes  
It left me almost paralyzed

8 T = vers

I bought me records by the score  
And even then I wanted more  
I taught myself to reel and jive  
I sure did get it organized

8 T = vers

**I can jive, I can jive**  
**I can jive, I can jive**  
**I can jive, I can jive**  
**I can jive, I can jive**

*unison kraftfull hockey – kör*      8 T = REF

I practised every single day  
And soon to everyone's display  
I left that mirror on the wall  
And tried my luck at the town dance hall

8 T = vers

Those chicks just couldn't believe their eyes  
I'm sure I heard a million sighs  
I must have danced with every girl  
Who needs' a diamond rings and pearls

8 T = vers

**I can jive, I can jive...**      *unison kraftfull Hockey-kör*      8 T = REF
